Dear Mr. Burr:

This is a final response to your 6 August 2003 Freedom of Information Act (FOIA) request for four specific records pertaining to the Sino Soviet dispute. Item 4 of your request was provided in our earlier correspondence to you. The remainder of your request was processed in accordance with the FOIA, 5 U.S.C. § 552, as amended, and the CIA Information Act, 50 U.S.C. § 431. Our processing included a search for records as described in our acceptance letter that were in existence as of and through the date of that letter, 23 August 2003.

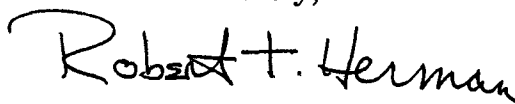

We have completed a thorough search for records responsive to your request, located material, and have made the following determinations: Enclosed are two documents (MORI 1033690 and 1033708) that can be released in segregable form with deletions made on the basis of FOIA exemptions (b)(1) and (b)(3). Please note that MORI 1033690 encompasses the timeframe Autumn 1959 to Summer 1960, rather than the Autumn 1957-1959 timeframe requested. No document, as described, for the latter timeframe was located.

The cost associated with processing your request amounts to \$14.80. This consists of reproduction of a total of 248 pages at a cost of \$0.10 per page. As a requester in the "representative of the news media" category, you are responsible for copying costs beyond 100 pages. Item 4 consisted of 106 pages that we provided to you on 23 August 2003. Please send me your check or money order in the amount of \$14.80 payable to the Treasurer of the United States citing Reference Number F-2003-01439 to ensure proper credit to your account.

You have the right to appeal these decisions by addressing your appeal to the Agency Release Panel within 45 days from the date of this letter, in my care. Should you choose to do this, please explain the basis of your appeal.

Thank you for your patience while we processed this request.

Sincerely,

A handwritten signature in black ink that reads "Robert T. Herman". The signature is written in a cursive style with a large, stylized "R" and "H".
